

IN THE CLAIMS

Please amend claim 1 as follows:

Sub E1
1
2 1. (thrice amended) A hearing aid with a microphone system (1) and a
3 subsequent analog/digital converter (5), wherein the microphone system (1) is
4 encapsulated in an electromagnetic shielding case (3) forming a shielded
5 microphone system unit and further wherein the analog/digital converter (5) is
mounted on an outside of the electromagnetic shielding case (3).
